Global Migration Patterns

Discussion Questions:
Look at the map:
1. What patterns do you notice?
2. Where are people moving from?
3. What countries are they moving to? What countries are they moving from?
4. What do you think might explain this?
5. What questions does this map raise? How could you find the answers?

View the map online
Go online and look at the map. It is an interactive map that provides more details about the migration movement represented by each arrow. The site is also rich with information about different kinds of migrants, reasons for migration, and data on migration flows.

Take a look at: <http://pstalker.com/migration/mg_map.htm>.
