A Nail Technician Wants to Support His Family

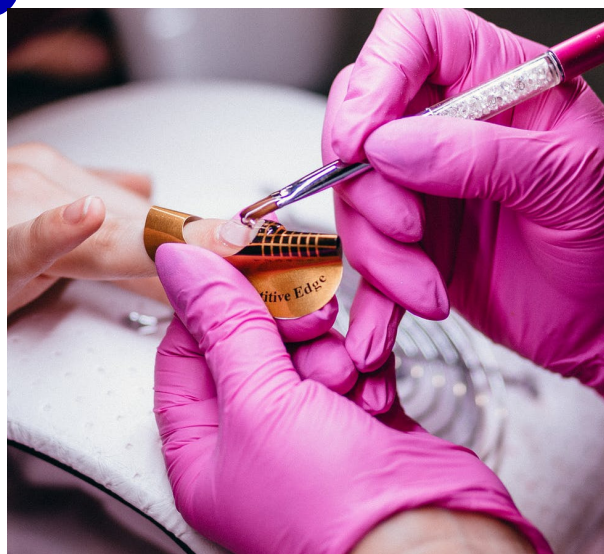

Vuong Cao

1

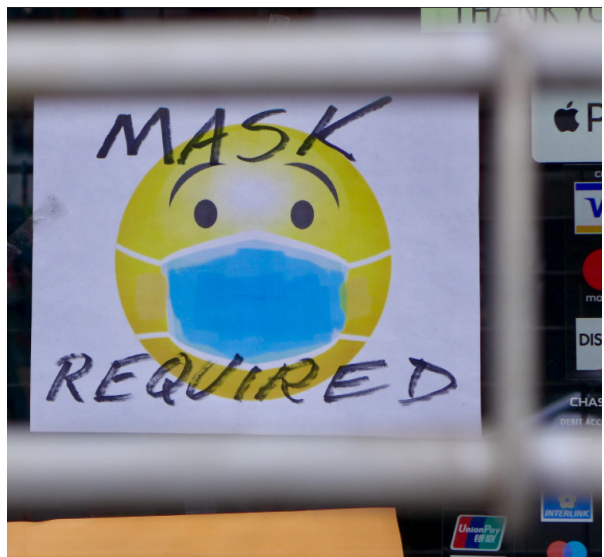

When Covid started, I could not go to work. The governor said many businesses must close.

2

The nail salon opened a few months later. But we did not have many clients. I could not earn much money.

3

Some clients were angry and rude. They yelled at us. They said they did not need to wear masks.

4

I hope everyone gets vaccinated soon. I want to make more money. I want to take care of my family.
