

Who Supported Communities?

And How Did They Do It? Finding Evidence from the Text.

Use this graphic organizer to answer the questions: According to the articles on pp. 4-17, who supported our communities during the pandemic? How did they do it? The purpose of this activity is to help you look for evidence from the text in *The Change Agent*. The last two rows are available for you to add evidence from other sources. Make sure to cite your sources!
